

PROSPECTIVE STUDENT ATHLETE REGISTRATION PROCESS

ELIGIBILITY DOCUMENTATION

NAIA Eligibility Center determinations are based primarily on information from three sources: the student's online registration, academic transcripts, and standardized test scores.

ONLINE REGISTRATION

Each student is required to register at the NAIA Eligibility Center Website: www.PlayNAIA.org. The student provides information in three primary sections: personal information, academic information, and information about competition outside the traditional collegiate setting after high school graduation.

TRANSCRIPTS

All registrants are required to submit official final transcripts from their previous institution. Official transcripts must be submitted via mail directly by the student's high school. Request a Transcript at the Student Services office by filling out a transcript request form and supplying the proper postage for the school to send the transcript. Sandwich High School will not pay for postage.

TEST SCORES

SAT and/or ACT standardized test scores must be sent directly from the testing agency to the NAIA Eligibility Center. The NAIA Eligibility Center address code for both SAT and ACT is 9876.

3B. ELIGIBILITY DETERMINATION PROCESS

Eligibility determinations are based on the student's academic achievement, (as applicable) the student's status as a transfer student, and competition outside the traditional collegiate setting after high school graduation.
